

Panasonic Connect2Customer Days

Experience the Autonomous Factory

You're invited: Panasonic Connect2Customer Days

Panasonic Factory Solutions Europe invites you to join the interactive event "Panasonic Connect2Customer Days: Experience the Autonomous Factory", our premier annual event dedicated to showcasing the latest advancements in technology and innovation.

Pick your date: 16th or 17th of October 2024 in Munich.

Why attend Connect2Customer Days?

- Discover our autonomous factory concept incl. the world's first auto setting feeder for all tape widths and types
- Learn about the most advanced process control supported by artificial intelligence (APC-5M)
- Explore the new G Series incl. automated printing process as well as the world's most advanced and automated odd form and THT process
- Join exclusive live seminars and demonstrations incl. guest speakers by our tech partners and attend the evening event for networking
